To whom it may concern,

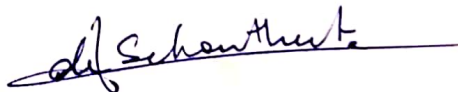

The Australia Education Partnership with Indonesia (EP) is Australia's largest bilateral aid program to date. GRM International Pty Ltd has been appointed as the Performance Oversight and Monitoring (POM) contractor for the EP. As part of its mandate, POM implements a range of evaluation studies across the four EP components to assess the progress towards achievement of the End-of-Partnership Outcomes (EOPO).

This letter is to inform that EP-POM / GRM International has conducted a workshop related to the EOPO 3 evaluation with following details:

Training Workshop for EOPO 3 Evaluation Researchers
24-26 June 2013 - 8:00 - 17:00 WIB
Century Park Hotel - Jl. Pintu Satu Senayan, Jakarta

We would like to thank MR. BAMBANG BUDIWIRANTO for attending the 3 days event and sincerely hope that the workshop will give benefits for both parties.

Sincerely yours,
