

CHAPTER V CONCLUSION AND SUGGESTION

After collecting the data and analyzing the result of the research, the researcher drew some conclusions and suggestions in teaching and learning speaking through Rap Music media.

A. Conclusion

Based on the data analysis, it can be concluded that:

1. Teaching learning process in class VIII A at the second semester at MTs N 2 Bandar Lampung in the academic year of 2016/ 2017 by using Rap Music media did not run effectively because the standard procedure was not followed by the teacher. It included steps number four, five, eight, and eleven.
2. The problem faced by the teacher in teaching speaking through Rap Music media were hard to take the Rap music media seriously, develop material successfully, manage the students and the time.
3. The problems faced by the students in learning speaking through Rap Music media were difficulties in studying through music, inefficient sound systems, confusion with wrong grammatical points or complicated sentences, and boredom with repetition of words.

B. Suggestion

In reference to conclusion above, it was suggested for the teacher of Junior High School to use Rap Music media in teaching learning process, because it was suitable media for teaching speaking. Besides, the teacher must control the students when apply this media in learning process.

1. Suggestion for the Teacher

After conducting the research and getting the result, the researcher would like to suggest the teacher in teaching speaking by using Rap Music media. They are as follows;

- a. The teacher must read more books about strategies in teaching speaking.
- b. The teacher must read more book about managing the students.
- c. The teacher must assertive when students could not be handled.

2. Suggestion for the Students

After conducting the research and getting the result, the researcher would like to suggest the students, especially in learning English subject as follows:

- a. The students must have more time to practice speaking English at home.
- b. The students should practice to speak English with their friends and in front of mirror in order to grow their confidence, fluency and minimize the use of mother tongue.
- c. The students should correct their mistakes in practicing speaking by self correction or asking their friends for criticism or suggestion (pair correction),

so at the last they may not repeat the same mistakes in speaking.

- d. The students should try to speak with a good grammar, even though there will be a mistake but just let it as a lessons.

3. Suggestion for the School

The school should set class with average number of students in order to prevent over crowded classes so that the students would not study in mosque anymore. Furthermore, the school should provide another program of English for the students such as English club or English course in order to the students can practice their English competency.

4. Suggestion for other Researchers

After conducting the research and getting the result, the researcher would like to suggest other researchers to develop this research with the new innovation such as the use of Rap Music media in quantitative research or other good strategies to increase students' speaking ability. Moreover, hopefully the result of this research can be a reference.
